Calendar	**Midnight**
Music	**Streamers**
New Year	**Cheers**

“Cheers” means a celebration here; no drinks, fireworks or other real props are required.

New Year's Eve Bingo - Host Sheet

In this free mini set: Four different 3×3 player cards, 12 caller pieces and this host sheet. Letter and A4 contain the same four cards. Separate from the paid New Year's Eve Party Game Bundle.

PREPARE

Assign different card numbers 01-04 to up to four players or teams. Print only the cards needed, plus one caller page and this sheet. Cut and shuffle all 12 pieces. Use pencils or suitable counters. People needing reading help can share a card. For more than four players, play in teams; duplicate printouts do not make extra layouts.

PLAY

1. Everyone marks the FREE centre.
2. Draw and read one caller piece at a time. Players mark a matching word if present. Set drawn pieces aside.
3. The first complete row, column or diagonal of three squares wins. A line can include the FREE centre.
4. When someone calls “Bingo!”, check the line against words already called. If two or more cards complete a line on the same call, share the win.
5. To restart, clear marks and return all caller pieces to the bowl or envelope. Shuffle again.

Cooperative option: Share one card and work towards a line. No prizes or competition are required. Participation is optional.
